

# Dillard Dual Sport Just For Fun Event

**Still working on arrangements for this event  
Watch this link for updated information**

A weekend of fairly easy Dual-Sport riding. Mostly two-track, lots of gravel, some rocks, some dirt.

Weather should be mild/cool 50-75 degrees Fahrenheit

There are a number of suggested routes to choose from and your hosts, Doug Pippin and Norm Kern will help you load your GPS.

Soil in this area is sandy/loamy and drains quickly so there isn't much slippery mud.

That said, there are areas that **do not favor** the large over 1000cc bikes.
